Con **Oliver Ruiz** 

For the Official Start of this new season, Marco Antonio Zepeda from: "BOSE" participated. Who was interviewed and told us about his important and outstanding career as well as the activity he carries out with the brand: "BOSE"

In addition, he presented us in detail one of the most versatile and functional equipment with applications, cutting-edge technology, easy to use, assemble and move that make it more useful to the user.

Enjoying good sound with aesthetics, technology, innovations, easy assembly and transport with a range of providing sound to approximately 350 people are great details that make the difference in addition to having a unique patent which gives the user a guarantee to have a team that is worthwhile in every way and to meet your needs.

# Sistema line array portátil L1 Pro16
